

## Flower Rota. January-April 2020.

Thank you for continuing to help with the Church Flowers. We have gone from 9 to 7 on the list but I trust that you will not find it too much for you all. We do appreciate all your contributions with their wide variety of designs and flowers. If you want anything ordered for our general use please let me know. Do keep me in the loop if you are finding your dates impossible and I will see if I can help. Lynne Jones.
